3. Geographic Scope of Contributions

Contributions may be made from **most countries worldwide**, subject to:

- Payment service provider acceptance

Temple of Unity **reserves the right to decline or block contributions** originating from jurisdictions restricted under:

- Mauritian law

- Banking or payment processor policies

This may include, but is not limited to, **high-risk or sanctioned jurisdictions**.

4. Restricted or Prohibited Jurisdictions

- Payment network or acquiring bank restrictions

Examples may include (non-exhaustive): **Iraq, Afghanistan, Syria, North Korea**, or any other jurisdiction designated as restricted by relevant authorities or payment partners.

Such restrictions are applied **solely for regulatory and compliance reasons** and do not create any obligation to process a contribution.

5. Contribution Confirmation

Upon successful completion of a contribution:

- An on-screen confirmation and/or email acknowledgement may be issued
- This acknowledgement **does not constitute delivery of goods or services**

Failure to receive an email confirmation does not affect the validity of the transaction.
