

# Temple of Unity (Mauritius)

## ➤ **Payment Card Data Security and Transmission Policy - Temple of Unity (Mauritius)**

This policy outlines the security measures applied to protect payment card information and ensure secure transmission of data, in accordance with **Visa, Mastercard, and PCI-DSS requirements**.

### **1. No Storage of Card Data**

Temple of Unity:

- **Does not store** full card numbers
- **Does not store** CVV/CVC codes
- **Does not store** card PINs or magnetic stripe data

All card transactions are handled directly by **PCI-DSS compliant third-party payment processors**.

### **2. Secure Transmission of Payment Data**

Payment card details entered by contributors are:

- Encrypted using **industry-standard SSL/TLS protocols**
- Transmitted **directly** from the contributor's browser to the payment service provider
- Never routed through or stored on Temple of Unity's servers

### **3. Payment Service Providers**

We only use payment gateways and acquiring banks that:

- Are certified as **PCI-DSS compliant**
- Follow Visa and Mastercard operating rules
- Apply fraud detection, monitoring, and encryption controls

### **4. Website Security Measures**

To protect user data, we implement:

- HTTPS encryption across the website
- Access controls for administrative systems
- Regular security updates and monitoring
- Limited internal access to contribution records on a need-to-know basis

### **5. Fraud Monitoring & Risk Management**

Transactions may be monitored for:

- Suspicious or fraudulent activity
- Compliance with AML/CFT obligations

- Card network risk indicators

Temple of Unity reserves the right to:

- Decline transactions
- Cooperate with banks, card networks, or authorities in fraud investigations

## **6. Incident Response**

In the event of a confirmed data security incident:

- Immediate steps will be taken to contain and mitigate risks
- Affected parties will be notified where required by law
- Relevant authorities and payment partners will be informed as necessary

## **7. Relationship to Other Policies**

This policy must be read together with:

- Privacy Policy
- Refund, Return & Cancellation Policy
- Delivery / Fulfilment Policy
- Terms of Use
